

Sabinet African Journals

Collections

Sabinet

Facilitating *access to information*

Sabinet African Journals – the obvious choice

Since 2001 Sabinet has offered online journals to clients with great success. This service allows access to information originating from or pertaining to Africa, anywhere and anytime from the convenience of your desktop, laptop, tablet or smart phone.

Now including the African Journal Archive, this service offers more than 600 African journals, a number that grows consistently as new journal titles are added. It is not only the largest collection of its kind, but also easily accessible.

Our journal content is delivered in a way that is optimised to suit the needs of researchers, students and information professionals. All our information is categorised, organised and stored to ensure accurate searching.

The leaders in quality information

Over 30 years Sabinet has built a track record of being the go-to source for a broad spectrum of quality and credible information in different subject fields. The SA ePublications service is no different with content covering the following subjects:

Business and Finance
Education
Juta Law
Labour
Law

Medicine and Health
Religion
Science, Technology and Agriculture
Social Sciences and Humanities
Open Access African Journal Archive

Getting research right

With a wealth of information at your fingertips, sometimes it can be a daunting task to find the best source of the information. Rather than sifting through inaccurate, incomplete or irrelevant material it pays to be subscribed to the best source of online information originating from or pertaining to Africa.

Relevant, accurate, up to date

The information available through African Journals is continually updated to ensure our users have access to the most relevant, accurate and up-to-date content available. This is why we are considered one of the most reliable specialist content providers on the continent.

This service offers you the following:

- ▼ Now including the African Journal Archive, African Journals offer more than 600 African journal titles. This includes fully searchable articles in PDF format. Journal titles are available to anyone, however if you want to view the full-text articles, you will need to subscribe for non-open access content.
- ▼ Our platform offers advanced search functionality to ensure more focused and accurate results.
- ▼ Different subscription options are available. You can subscribe as follows:
 - Specific journal title(s)
 - Subject-specific collection(s)
 - Full African Journals collection
- ▼ Our platform is easy to use and accessible anytime and anywhere.
- ▼ When subscribing to a title, users will have full access to the archive available for that title.
