Sabinet

Facilitating *access* to information

Some of the benefits of our service:

- ▼ Easy access to electronic, reliable and accurate legal information.
- ▼ Latest version of the act is available, currently in force, which eliminates any possible confusion.
- ▼ Immediate access to acts, rules and regulations. All amendments to acts, their rules or regulations, as published in the Government Gazette, are updated weekly.
- ▼ Act Index linking through to the act, amendment acts and the regulations.
- ▼ Draft regulations - full text available.
- ▼ Chronological list of all acts including titles of repealed acts.
- ▼ References to decided cases.
- ▼ Proposed amendments under a specific section of an act reflecting any proposed amendments not yet in force.
- ▼ Newsletter emailed every Friday, includes all changes to acts, rules and regulations with links to the full-text. Also includes drafts for public comment.
- ▼ Searching capabilities on act title, act number, regulation title, full-text and year.
- ▼ Incorporates daily and weekly alerts per email, if preferred, to new Government Gazette notices and Provincial Gazette notices, with links to the full-text.
- ▼ Full-text of amended acts, rules and regulations, available in HTML format for easy printing and email.
- ▼ Links are provided in the full-text between sections of an act and to other acts, where applicable.
- ▼ References to amendments, clearly displayed in the text of each act.
- ▼ Alphabetical list of acts, with dates of last amendment, is included.
- ▼ Amendment acts are available in PDF format on the act index.
- ▼ Court Forms as published in the Government Gazette.
