Sabinet

Facilitating *access* to information

Some of the benefits of our service:

- ▼ Easy access to electronic, reliable and accurate legal information.
- ▼ Immediate access to your subscribed province(s).
- ▼ Searching capabilities on Municipality, Province, By-law title, keyword or year
- ▼ An Index of all existing South African municipalities, Metropolitan, District and Local, under a province together with a list of disestablished municipalities, By-laws from previous municipalities not repealed yet and By-laws published but not promulgated for your ease of reference.
- ▼ Links are provided in the full-text between sections of a By-law.
- ▼ References to amendments, clearly displayed in the text of each By-law, where applicable.
- ▼ Disestablishment Notices provides the Provincial Gazette numbers in which a municipality was either established or disestablished.
- ▼ Search All allows subscribers who are not subscribed to all 9 provinces to search across their subscribed provinces simultaneously.
- ▼ You have access to a dedicated support person whom you can contact if you have any queries. Updates take place as soon as possible after official changes occur.
- ▼ Maps depicting the boundaries of each municipal area.
- ▼ Weekly Newsletter emailed every Friday, includes all changes to the By-laws within each province with links to the full-text. Also includes drafts for public comment.
- ▼ Future Developments.
