## Online Legal Information Services

*Covers relevant South African legislation information from bill tracking to consolidated Acts.*

**Sabinet**

Facilitating *access* to information

# Online Legislation at your fingertips

---

With 20 years' experience in the legal industry, Sabinet offers an assortment of reliable, up-to-date and accurate legal information solutions.

**This is a very innovative and user-friendly service with an easy Google-like search functionality as well as easy-to-use menu options to assist users in finding their required information with a touch of a button.**

---

## ***South African National Legislation (Netlaw)***

Sabinet's South African National Legislation service, NetLaw, includes all updated and consolidated South African Principal Acts, Rules and Regulations since 1910.

Updated daily with new Legislation or amendments, as they are released, **the NetLaw service offers one consolidated version of each piece of Legislation**, so you can be sure that you are looking at the most up to date version, with all the relevant amendments. Incorporating all the updated and consolidated national Legislation since

1910, and currently in force, NetLaw also includes access to Amendment Acts, drafts and drafts for comment.

This ensures that you can always consult, advise and provide legal opinions with the guarantee that you always have the most credible and accurate Legislation information at your fingertips.

## ***Provincial Legislation***

Sabinet's Provincial Legislation product is a South African first. Not only does it allow you to see all Provincial Legislation together with Regulations in terms of Acts and Ordinances applicable today, but also as they appeared at a point in South African history since 1910.

Our clients have come to rely on the timeous delivery of up-to-date, reliable and comprehensive Provincial Legislation from our Provincial NetLaw product.

With its point-in-time search functionality that enables you to zero in on a specific date or period from 1910, you also get a complete retrospective view of the Legislation's history.

## ***Municipal By-Laws***

Sabinet's Municipal By-Laws product offers complete full-text access to all By-laws in force and applicable in Municipalities in all nine provinces, from 1995 to present day.

In addition to easy access to local Legislation, this one-of-a-kind product also provides a fully comprehensive index for each province, listing both existing and disestablished municipalities.

The Municipal By-Laws product is an easily-accessible and searchable online collection for those who need to comply with by-laws in addition to Provincial and National Legislation, or wish to participate in the legislative process by commenting on draft by-laws by making use of our update notification facility.
