Sabinet

Facilitating *access* to information

Some of the benefits of our service:

- ▼ Easy access to electronic, reliable and resourceful legal information.
- ▼ All acts and ordinances currently in force and applicable to all South African provinces from 1910 to date.
- ▼ Regulations in terms of act and ordinances and different versions as they were at a particular point in time.
- ▼ New provinces are linked to the old provincial structure, making it easy for you to reference information prior to 1994.
- ▼ Searching capabilities on act or ordinance or regulation title, act or ordinance number, and act or ordinance year and province.
- ▼ Faceted browsing makes it even easier for you to find your required document.
- ▼ Alphabetical list of acts, per province, is included.
- ▼ Chronological list of all acts and ordinances per province.
- ▼ Graphical Timeline shows you a visual graph of how many times the Act/ Ordinance has been amended from date of commencement.
- ▼ Direct links to related historical gazette information.
- ▼ Newsletter containing weekly updates emailed every Friday includes all changes to acts and ordinances with links to the full-text.
