

South Africa's first supplier of online Gazettes

Some of the benefits of our service:

- ▼ Immediate full text access to Provincial and Government Gazettes from 1910 to 1993.
- ▼ The complete Gazette in PDF format and is not broken down into notice level.
- ▼ Faceted browsing makes it even easier for you to find your required document.
- ▼ More than 40 000 Provincial and Government Gazettes are available via this product.
- ▼ Access the Provincial Gazettes, for all four provinces consisting of Transvaal, Natal, Orange Free State and Cape of Good Hope.
- ▼ Easy searching: our product offers very efficient Google-like searches with quick response times.
- ▼ An automatic relevance ranking process ensures that your document will most likely be displayed on top or within the first few results.
- ▼ Immediate access to information. Saving storage space and cost.

Retrospective South African Gazettes Archive

Contains online Government and Provincial Gazettes from 1910 to 1993.
