

# 4 KEY BENEFITS of SA Gazettes

Sabinet’s SA Gazettes service is an easily accessible online collection of SA gazetted information. Search gazetted information extensively – either on notice level or by obtaining the complete Gazette.

As a subscriber, you’ll have online access to published legislation, regulations, proclamations, deceased estates, legal notices, liquor notices, liquidations, road carrier permits and so much more. Subscribers can either subscribe to both Government and Provincial Gazettes or separately to each one.
